
ABOUT THE ARK

The Ark is a dedicated cultural centre for children. We opened in 1995, three years after the Irish government ratified the UN Convention on the Rights of The Child (UNCRC), recognising the rights of children to “participate freely in cultural life and the arts”. The Ark was founded on the principle that children are entitled to great art made especially for them.

Our purpose is to realise children’s right to art and culture with ambition and joy. We do so by commissioning, producing and presenting fun and ambitious art for, by, and about children from birth to twelve. Our work is also our advocacy.

We share the work of brilliant and daring Irish and international artists in our award-winning, purpose-designed home in the heart of Dublin’s Temple Bar, as well as in-person and online in schools, in libraries, in early years and care settings around Ireland. We seek to engage children in the places and spaces and on the platforms that are meaningful to them. We often work in partnership with others as artistic collaborators or to advance the diversity and inclusivity of our engagement with childre

In April 2024 we published *The Ark Strategy 2024-2028* which sets out our ambition to be a thriving, inclusive, sustainable, climate-friendly organisation, recognised for the integrity, influence and impact of our work in realising children’s right to art and culture.

We will continue to be a vocal champion of the arts and of artists and a trusted advocate for children, working closely with them and on their behalf, to ensure their right to art and culture is meaningfully realised in both policy and practice.

With these commitments and by living our values: dreaming big, thinking ahead, opening hearts and minds, showing kindness and care, and, of course, having fun, The Ark will remain at the heart of artistic life for children in Ireland.

THE ROLE

This is a fantastic opportunity for an experienced bookkeeper or finance administrator to join and really make an impact in an established and ambitious arts organisation. As Bookkeeper & Administrator, you will be the financial heartbeat of The Ark - the person who keeps our day-to-day finances running accurately and efficiently. Working closely with the General Manager, you will ensure that the organisation's finances are managed with accuracy, transparency and rigour.

The Ark is primarily funded through public grants - principally from the Arts Council and the Department of Education - alongside earned income, corporate support, and donations. The Bookkeeper & Administrator role will be key to ensuring that income and expenditure are accurately recorded across multiple restricted and unrestricted funding streams, that funder reporting requirements are met, and that the organisation remains compliant with all relevant statutory, regulatory and governance obligations.

The role has four main areas of responsibility:

- **Financial Administration & Bookkeeping:** Processing and recording all financial transactions, managing payroll, maintaining accurate records across the organisation's multiple funding streams, and ensuring timely payment of invoices and expenses.
- **Financial Reporting:** Producing management accounts, cash flow reports, and funder financial returns, and providing financial information to support the General Manager, Director and Board in decision-making.

- **Grant & Income Administration:** Supporting the administration of grant agreements, monitoring grant conditions and deadlines, and preparing financial returns in line with grant requirements.
- **Compliance & Governance Support:** Supporting the General Manager in meeting statutory, regulatory and charitable obligations - including with the Charities Regulator, the Companies Registration Office, and Revenue - and supporting the annual audit process.
