We all have the right to express our views. An opinion is like a tiny seed that can grow into a giant tree in the future. Grown-ups need to listen to us. Here's how!

**A**lways ask. Always listen.

**B**e respectful.

**C**onsider comfort. Consider creativity.

**D**ifferent needs, different options.

**E**ncourage.

**F**eedback and follow up.

**G**ive plenty of time.
