Monsters that make you giggle

Warm up Activity

- Where do you think monsters live?
 - Have you ever seen something suspicious, smelly & scary under your bed?
 - Or in the corner of the garden?
 - Look closer- it is just a sock?

Describe the monster that you see behind the houses?

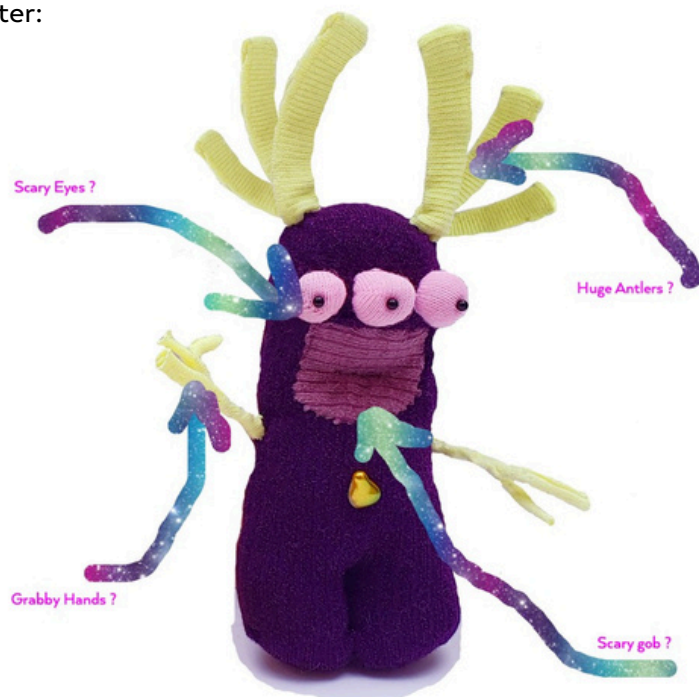

- What is its colour? • What is its shape?

- What is it made out of?

What scares you? What makes you giggle?

Write down what you think makes a scary monster:

- _____
- _____
- _____
- _____
- _____

Draw a monster that would make you giggle:

Make your own monster that makes you giggle!

Let's make a monster to scare the fear out and bring the giggles in using a few socks and finds around the house. Let's have fun while we do.
